CORRECTING SUSPENSE ISSUES

If you have an old advance that you know has been reconciled and still reflects it is actively in your suspense you will be able to use the following procedure until all old advances are flushed out of your system, this way to correct the suspense:

1. From sys admin, click Debt Management and Process Suspense Item
2. Input the SSN and click OK
3. Select the erroneous suspense record and click View/Modify
4. Change the Status to Completed and click OK

Changes to SABRS

Navy version 6.21.8.1 was mailed with the November rates to incorporate the ability to handle both the current MILPCS and TOP accounting structure as well as the new FY18 and beyond accounting structure established for SABRS. This release incorporates the ability to handle both the current accounting structure for TAD/TDY, and also civilian permanent change of station (PCS) as well local travel (1164) for the new FY18 and beyond accounting structure established for SABRS. Sites are encouraged to upgrade ASAP to be ready for the SABRS October 1st implementation.

Navy 6.21.8.1

You must at least be currently on version 6.20 before converting to 6.21.8.1. If you are not on version 6.20 please install that change package. If you are on version 6.21.8 refer to the installation instructions for that version. If you require assistance with upgrading to version 6.20 and/or installing version 6.21.8.1 please contact the IATS Help Desk at 317-212-7718 (DSN 699), or via e-mail at dfas.indianapolis-in.ztd.other.iats-help-desk@mail.mil.
