NGB Secure FTP from IATS to ODS

The ODS sFTP user accounts lock after 30 days of inactivity. To ensure your ODS sFTP account does not lock, it is suggested you log into IATS, from the Sys Admin screen click "Download From Mainframe" and then "Download Transactions from Disbursing System". You may not have anything to download, but the system will connect to the ODS sFTP site to restart your 30 day clock. IF you can't upload or download and it's been more than 30 days since you did either, you will need to contact the ODS Help desk to unlock your account. The ODS Help Desk number is 317-212-1637 or dfas.indianapolis-in.zte.mbx.dfas-in-ods@mail.mil. If you need assistance configuring IATS or WinSCP, please contact the IATS Help Desk at 317-212-7718, DSN 699-7718 or via email at dfas.indianapolis-in.ztd.other.iats-help-desk@mail.mil.
