## ***CURRENT/FUTURE RELEASES***

Current IATS Release is 7.1.2 for DFAS and selected Army DMPO sites; or any other customers that need this update to correct merge issues contained in previous versions, or user login issues after converting to 7.1.1. The current release for all other services is 7.1.1.

## ***EMRGENCY RELEASE***

IATS 7.1.2 was mailed in early June 2019 to **DFAS** and **selected Army DMPO sites**; or any other customers that need this update to correct merge issues contained in previous versions, or user login issues after converting to 7.1.1.. To install the IATS 7.1.2 software, follow the directions in the SVD712.PDF file found in C:\SVD712 folder on the accompanying CD. If you have questions, contact the IATS Help Desk.

**NOTE: DTOD 32 does not support XP machines. Do not remove your DTOD 28 on your XP machines.**

## ***Database Backup and Move file for safe keeping:***

1. Log into Maintenance.
2. **Click on Database Backup.**
3. **Click on OK** on the screen that shows the backup path (Remember this if you want to save the backups, of the log files, so you can copy the file to another location when finished).
4. **Click on Yes**, if you want to back up your DB or **No**, if not.
5. **Click on OK** on the “Backup Complete” screen.
6. **Click on Exit** to close Maintenance.
7. Now move the backed-up database file off the server for safe guard in the event a system or network has a crash. If backup is done on standalone, move the backed-up database file off that PC to a different PC, DVD, tape, etc.

**DTOD Web Services Address Change**

If you have the 'Activate DTOD Web Service' box checked in configuration, then you should cut and paste the below endpoint into Maintenance, Configuration/Base Parameters, DTOD Web Service Versions, in the Web Service URL box at your earliest opportunity, as it is not known at this time when the current endpoint will no longer be available.

NOTE: Please wait to do this until you have run the December rates update, or else your update will be wiped out and you'll have to initiate the process all over again.

**New DTOD MVS address is:**

Corrected 12/6
